This message was originally published on Day 3 of Month 13, otherwise known as March 5, 2022 on the Roman calendar.

The month of March is named after Mars, the Roman god of war and, agriculture. He was usually celebrated at the end of the season of war, prior to the new harvest season.

Kings rarely went to war during the harvest, because many soldiers were also farmers.

The necessities of life superseded and controlled the machinations of death and destruction. Kind of ironic.

Something else that is ironic is the fact that the supposed Christian nation of America has a statute of Mars located within the Temple of Justice and Faith located in the East and West portico of the Capital Building.

Of course, the actual name of the Capital Building is the “Temple of Liberty.” That is why the goddess of freedom (liberty) is placed on top of the dome.

Temples have always been places of worship, and the dwelling places of gods. The gods of Rome litter the United States Capital, and the Roman fasces, the sign of Roman strength and power, dominate the House of Representatives.

None of this is by accident or a coincidence. It is purposeful, because the United States is simply a revived Rome. Remember that Christianity was the religion created by the Roman Empire.

Most people completely miss the connection between Rome and the United States. They have been duped into thinking that the United States follows the Elohim of Yisrael because it is a Christian nation and called "One Nation Under God."

Well the real question is: Which god?

Our money used to have Mercury on it – the Roman god of finance, commerce and communication. Washington, DC is actually designed to look like a Greco-Roman city.

This is all part of the vast deception that has been perpetrated upon our present civilization. America is clearly a pagan nation, and the truth has been hidden in plain sight all along.

Most mistakenly believe that modernity and technology have detached us from the past, but that is all an illusion.

At its core, this is a spiritual deception and the true architects are the same powers that attempted to take over the planet prior to the flood of Noah.

They were judged by those waters, and that is where the myths about Atlantis derive. Atlantis did not sink into the ocean; it was swallowed up by the flood. America was planned to be the New Atlantis for a New World Order.

I was going to examine the subject of the Thirteenth month this week, but with all the talk of war in this month of Mars, I thought I should address some current events.

It is interesting that the attention of a vast expanse of the world population was consumed a virus for the past 2 years. Were it not for the constant barrage of the media and the outlandish lockdowns and masks, I doubt it would have been viewed as more than a bad flu season.

Nevertheless, people were relentlessly pounded on a daily basis with fear and inflated numbers of deaths and “cases” to support the pandemic narrative. It appear that the point was to get them injected with a vaccine.

Now that the “science” used to support that narrative is completely unraveling, and the effects of those “safe and effective” vaccines are worsening, something new was needed to distract the masses.

Over the years, especially since 9/11, people have demonstrated that they will believe just about anything, if they are triggered by fear or some other emotion. They will readily give up their basic rights with promises of “peace and safety.”

I still see people all over the country wearing masks, alone in their cars or out while walking alone down the street. I find it to be simply mind-boggling, but it is what it is. Many people are afraid because they do not have peace, or rather shalom.

I warned a couple years ago, right before the COVID drama began, that there were signs of impending financial collapse based upon the interbank lending rates showing signs of trouble.

The system needed massive liquidity, and fast.

Within a matter of weeks, COVID was delivered to the world - right on cue.

It was proposed that the partial destruction of the world economy was necessary in order to save mankind from an invisible enemy.

As forced lockdowns resulted in the collapse of economies and business closures, all of the devastation could be blamed on the pandemic, not corrupt government officials and central banks. And the solution of printing and injecting trillions of dollars into the markets was met with little to no resistance. It was the solution needed for the pandemic. Phew! They bought themselves a couple of years.

Well as the pandemic narrative began to wane, and masks literally started coming off, the mask that was covering the financial problems was also being removed.

The focus shifted again to financial issues such as inflation and the need to raise interest rates.

The Federal Reserve was backed into a corner with no real choice, but to raise interest rates. The problem with raising interest rates is that it would wreak havoc on the economy, especially the derivatives market. Damned if you do, damned if you don't.

As a decision from the Fed became imminent, right on cue, our focus was shifted to a war in Europe.

Western countries withdrew approval of the Russian Nord Stream 2 pipeline, right before it was about to go online. As a result, Russia embarked upon what was referred to as a "special military operation" in Ukraine.

As I watched things unfold in the Ukraine, I couldn't help but think that it all appeared to be very scripted.

First off, the timing was incredibly suspect.

Now instead of an invisible enemy, we were given a tangible living, breathing enemy – Vladimir Putin.

The media outlets were quick to provide documentaries on Putin, showing him to be a ruthless tyrant with mental issues.

On the flip side, there was poor underdog Ukraine and its comedian, turned brave and loyal president. It literally was playing out like a movie script.

One particular news channel focused on a mother in a bomb shelter with her children. She had a shaved head and looked like a Holocaust victim. I wondered if that imagery was intentional in order to invoke an emotional response?

Sure enough, Putin ended up calling the Ukrainian government Nazis, and the world started comparing Putin to Hitler.

As the reporting continued, people continued to get riled up and we soon saw the colors of the Ukrainian flag everywhere. It reminded me of “Good Old Shoe” from the movie Wag the Dog. If you can filter out the language, that movie was a real eye opener.

Now I’m not suggesting that the conflict isn’t real. I am suggesting that we are getting filtered and manipulated information intended to sway us to support a particular position.

Just as the world governments and corporations acted in unison in support of the pandemic narrative, here again, we see them following the accepted script in one accord.

Outrage, followed by sanctions. Removing Russia from the SWIFT financial network, with more sanctions to follow.

People are rallying around Ukraine and displaying the colors of the Ukraine flag as an expression of solidarity, sympathy and support.

Charitable organizations are raising vast sums of money for Ukraine refugees. On that note, I am intrigued by the Christian and Jewish organizations that are focused on helping the 200,000 Jews in the Ukraine.

Why would you discriminate in such a humanitarian endeavor? Will they feed or clothe a Jewish person and ignore a non-Jewish Ukrainian?

Yahushua certainly does not make those types of distinctions when He talks about helping, He references the least and mentions His brethren. (Matthew 25:31-46)

It should be clear by now that His brethren are not “the Jewish People.” He specifically states: *“For whoever does the will of My Father in heaven is My brother and sister and mother.”* Matthew 12:50

So we currently see people rallying around the Ukrainian people and their Government. As a result, people are becoming extremely polarized – Russia Bad and Ukraine is good.

Is it really that simple though?

It reminded me of a Proverb.

*“There is a way that seems right to a man, but its end is the way of death.”* Proverbs 14:12

It gave me pause and caused me to question the new narrative that was dominating the world.

It turns out that there is much more going on here than the mainstream media is reporting.

As I already inferred, the West has been “poking the bear” – literally. And, there are many people in the world who actually want a World War.

War is good for business and a lot can be accomplished by nefarious people during times of war. Imagine all of the trillions of dollars that can be printed during a time of war? And who knows where any of it ends up?

While it appears that Russia is taking an economic hit, Putin should have easily predicted these sanctions. Indeed, it’s not just a matter of cutting off Russia, and only impacting Russia. The effects will be vast and far reaching.

As Russia is being cut off from the Petro dollar system, they will be unable to pay their dollar denominated debts throughout the world.

If Russia defaults on its dollar denominated debts, the impact of these economic sanctions will then impact people who were doing business with Russia. The ripple effects will further exacerbate the contrived supply chain problems and food shortages that started during the pandemic.

The problems created by the pandemic narrative will worsen from these sanctions. And those sanctions will be followed by a variety of cyberattacks.

This is not a prophetic statement. I’m just reading their script.

Remember, I told that their plan is on the World Economic Forum website. The World Economic Forum, run by Klaus Schwab, has been grooming world leaders for decades.

Consider their yearly classes of “Young Global Leaders” that they hand select for positions in governments and corporations around the world. These people end up steering governments and actually leading nations with global agendas.

Why am I mentioning all of this?

It all has great significance in the Plan of Elohim.

We are now witnessing a culmination of the time of the Gentiles, otherwise known as the time of the Nations. It is playing out through the Great Reset, promoted by the World Economic Forum.

They want to own everything and they want you to own nothing.

This is just the path that they have paved to get us there.

They recently announced that cyberattacks are next. Cyberattacks are actually an aspect of war that we do not see. The missiles being fired are electronic and the financial, and even physical impacts can be even more devastating than physical munitions.

We have been experiencing bioweapons, veiled as a pandemic. We are now witnessing nations aligning and pitting nation against nation.

The objective is to destroy the old order so that the New World Order can rise, like a Phoenix from the ashes.

This is what the dark forces are working toward, and they want the destruction that comes with all of their plans. Their problem is that they fail to accept that YHWH is in control of it all.

In order to truly understand what is going on in the world it is important to have a comprehensive Scriptural perspective of history.

I have many books outlined and one of them is titled "*Understanding the Messiah in Context.*"

Last week I mentioned the fact that Yahushua came for the lost sheep of the House of Yisrael.

Those lost sheep consisted of the 10 Northern Tribes, led by Joseph, who were taken captive by the Assyrians and scattered throughout the 4 corners of the earth.

They were scattered among the nations, and Yahushua trained His disciples to go into those nations and spread the Good News. (Matthew 28:19)

So many Christians fail to understand the culmination of history involves gathering the lost sheep of the House of Yisrael.

They think that Jesus came to start the Christian religion and establish a new group of people called the Church. They think that the Church will go to heaven with Jesus under a New Covenant, while the Covenant Land remains for the Jewish People under the Old Covenant.

That is not the prophetic plan presented through the Scriptures.

The Scriptures record that man's rebellion against YHWH, under the leadership of Nimrod, resulted in the division of the people into diverse "tongues" (languages).

The gift of tongues was not so you can babel (no pun intended) in your own personal prayer language. It is so that you can speak in another language that another individual can understand - so that they can hear the truth.

That is exactly what happened at Sinai when YHWH spoke the words from the Mountain to the Children of Yisrael and the mixed multitude.

That is also what happened at Jerusalem in Acts 2 when "<sup>3</sup> . . . *there appeared to them divided tongues, as of fire, and one sat upon each of them.* <sup>4</sup> *And they were all filled with the Set Apart Spirit and began to speak with other tongues, as the Spirit gave them utterance.*" Acts 2:3-4

Those languages were given for a specific purpose. So that people from other nations could hear about Yahushua.

*"<sup>5</sup> And there were dwelling in Jerusalem Yahudim, devout men, from every nation under heaven. <sup>6</sup> And when this sound occurred, the multitude came together, and were confused, because everyone heard them speak in his own language."* Acts 2:5-6

So, what we have is a bunch of people gathered in Jerusalem - devout men.

This was not a random group of tourists who just happened to be visiting Jerusalem.

They were obeying the Torah by making the pilgrimage to Jerusalem to celebrate the Feast of Weeks (Pentecost).

They were there rehearsing the Appointed Time of Shavuot at one specific time. We know how they calculated the calendar at that time, and the Set Apart Spirit confirmed the calendar by appearing on that specific day.

They were not following a solar calendar from the Dead Sea Scrolls. They were using the sun and the moon as prescribed by Genesis 1:14. Notice also, that the Set Apart Spirit imparted languages in Jerusalem, not Qumran.

So those fires were different languages that were spoken through various individuals in order for the devout men to understand the message concerning Yahushua. They heard it and comprehended it in actual languages.

Many of those languages originated at the Tower of Babel. They were created by YHWH when He divided the people into nations, and scattered them geographically.

The devout men were Yisraelites, likely from the House of Judah, who remained scattered among the nations after the Babylonian exile under Nebuchadnezzar. While they lived among the nations, they knew their identity and they therefore gathered in Jerusalem out of obedience.

As a result of their obedience, they were given the truth that they needed in their own native tongues (languages).

This reveals the importance of rehearsing the Appointed Times at the correct time if you want to participate in their fulfillment.

The House of Yisrael was scattered then, and they remain scattered. They lost their identity with YHWH, exactly as Hosea prophesied. (see Hosea 1)

We talked last week how Joseph, and specifically the Tribe emanating from his son Ephraim, was the head of the Northern Kingdom – the House of Yisrael.

Joseph was always an integral part in the plan to gather a people from the nations.

Remember how Joseph mixed in with the Egyptian culture? His brothers didn't even recognize him. He looked and lived like an Egyptian, until he revealed himself at the appointed time.

The same holds true with the House of Yisrael. Like their predecessor Joseph, they have been mingled into the nations. They look like Americans, Englishmen, Germans, Welch, Scots, Aussies, Kiwis etc. etc.

You name the country. It likely has a bunch of “lost sheep” in it. Just as Yisrael was essentially birthed out of a period of slavery in Egypt. Yisrael will be “born again” from the womb of the nations.

The patterns of the past are there for us to learn from. As we rehearse the Appointed Times we see their fulfillment.

The nations have always been represented by the number 70. That derives from the table of nations found in Genesis chapter 10, and it was 70 Sons of Elohim that were placed over the Nations after the Tower of Babel incident. (see Yasher 9:32 and Deuteronomy 32:8)

We also see the number 70 emphasized when Yisrael left the Promised Land and journeyed to Egypt.

*“<sup>1</sup> Now these are the names of the children of Yisrael who came to Egypt; each man and his household came with Jacob: <sup>2</sup> Reuben, Simeon, Levi, and Judah; <sup>3</sup> Issachar, Zebulun, and Benjamin; <sup>4</sup> Dan, Naphtali, Gad, and Asher. <sup>5</sup> All those who were descendants of Jacob were seventy persons (for Joseph was in Egypt already).” Exodus 1:1-5*

So, the remaining tribes of Israel that moved out of the promised Land and into Egypt to join with Joseph was 70. There is definitely a message in there.

There is an interesting story in the text of Yasher involving a custom in Egypt concerning the 70 languages of the Nations.

*“<sup>43</sup> And the throne upon which the king sat was covered with gold and silver, and with onyx stones, and it had seventy steps. <sup>44</sup> And it was their custom throughout the land of Egypt, that every man who came to speak to the king, if he was a prince or one that was estimable in the sight of the king, he ascended to the king's throne as far as the thirty-first step, and the king would descend to the thirty-sixth step, and speak with him. <sup>45</sup> If he was one of the common people, he ascended to the third step, and the king would descend to the fourth and speak to him, and their custom was, moreover, that any man who understood to speak in all the seventy languages, he ascended the seventy steps, and went up and spoke till he reached the king. <sup>46</sup> And any man who could not complete the seventy, he ascended as many steps as the languages which he knew to speak in. <sup>47</sup> And it was customary in those days in Egypt that no one should reign over them, but who understood to speak in the seventy languages.” Yasher 48:43-47*

This is an interesting passage because it reinforces the fact that there were originally 70 nations with 70 unique languages.

There is a tradition in the Zohar that Gabriel taught Joseph the 70 languages so that he could speak directly with Pharaoh. Now that's what I would call speaking in tongues!

That tradition does not seem to be supported by the text of Yasher though. The point I am trying to make is that "tongues" is about the nations and their languages.

Charismatic Christianity has gone off the rails on this subject.

Speaking in languages is a gift intended for those who are spreading the message to the nations, it is not meant for people in a church who all speak the same language, for their own personal spiritual edification.

Understanding the significance of the nations at the end of the age is the context of what is taking place around us. The culmination of history involves the Nations being sifted, followed by judgment.

*"All the nations will be gathered before Him, and He will separate them one from another, as a shepherd divides his sheep from the goats."*  
Matthew 25:32

The point is that His Name will be made great among the Nations, just as His Name was made great after He decimated Egypt.

When the world witnesses the Mighty Hand of YHWH, they will have no choice but to give Him esteem or die.

*"For from the rising of the sun, even to its going down, My Name shall be great among the nations; In every place incense shall be offered to My Name, and a pure offering; For My Name shall be great among the nations, Says YHWH of hosts."* Malachi 1:11

While we often like to focus on the spiritual, the fact remains that we live in the physical realm. We are dwelling within the nations and surrounded by other nations. The modern State of Israel is just one more nation among all of the nations that currently stand in rebellion against YHWH.

The Covenant Family of YHWH, the set apart Assembly, lives within nations throughout the world. The people of YHWH are currently scattered in the nations, and living under the banners (flags) that represent those nations.

All of those nations are destined for judgment.

Those in the western world have enjoyed prosperity and a heightened standard of living because of an artificial financial scheme created by the Bretton Woods Agreement.

This involved taking the United States off of the gold standard, and creating the Petro Dollar.

As a result, I have enjoyed a level of prosperity that few of my brethren in so-called "Third World Countries" have experienced.

While I am thankful for all the good things that I have experienced in my life, I must remember my brethren around the world and "share the wealth" while I can.

What we are currently witnessing is the demise of the Petro Dollar.

No one knows how fast this will take place, but it is inevitable, and it is part of the judgment being rendered upon the United States.

Yes, America is going to be judged.

I know there are many Americans thinking the President Trump made America Great and it is all about keeping America Great, but believe it or not, America is not the primary focus of YHWH's attention.

His people are the focus of His attention, and His people are currently scattered among the nations.

America has become a purveyor of extraordinary evil throughout the world. Yes, I said evil. In a future message I would like to dive deeper into this subject, because I think people have a very skewed understanding of what YHWH views as evil.

This is not a condemnation on the individual people of America, but rather the government. The same holds true with Ukraine, Russia, or any other nation for that matter. All nations will be judged, along with the individuals within those nations.

The coming collapse in America will likely initially be blamed on Russia and the ensuing war, instead of the corrupted and evil politicians, governmental officials, individuals and the central banking system that has been enslaving and polluting the world.

So, it is important to understand that there is much more going on here than the narrative being perpetrated regarding an evil maniacal Russian leader with nationalistic objectives.

Ukraine has been connected with the United States in very nefarious dealings on multiple levels. It has been a hub used for human trafficking, corruption, bribery and money laundering. There are a lot of skeletons buried in Ukraine (think Hunter Biden's laptop contents), that Putin would like to dig up.

There are some who suggest that Putin was actually goaded into war by NATO activities in the eastern provinces of the Ukraine.

Others view Putin as an anti-globalist, who is “cleaning house” and defending the Christian religion from a bunch of Satanists.

At the same time, we know that he has a long-standing relationship with Klaus Schwab, the one pressing for the Great Reset.

There are various other theories that try to explain what is behind this attack. It all depends how far you want to go down the rabbit hole.

Whether this was a Russian initiated plan or a Russian response to western provocation, or something else, is a question that may never be answered.

Does it really matter that we know?

It may be that this is all part of the globalist agenda to bring about world depopulation. The Great Reset will be much easier to achieve with less people to control, for sure.

I have learned to become skeptical of any unified narrative being promoted by the mainstream news.

It is well known that China and Russia both desperately want to see the US Dollar (represented by fiat Federal Reserve Notes) removed as the world reserve currency. It appears that the current events will likely lead to that end.

Is China waiting in the wings to bail out Russia? Are they evaluating the West’s response before they invade Taiwan?

China and Russia have very close ties, and already share robust trade between them. China has been building the New Silk Road economic

belt since September 7, 2013, and guess what? It passes right through Ukraine on the way to Moscow. Again, I don't think any of what we are seeing is coincidence.

Have you ever looked at the size of Russia on a map? It is enormous and filled with vast resources, farming and other industries. China has lots of manufacturing, and they share a common border. No ocean to cross and no cargo ships required. It looks like a strong partnership with a bright future.

We shall see how it all plays out, but I just wanted to point out that there is more here than meets the eye.

The media wants to manipulate you, and possibly get the masses fired up for war. You will no doubt hear accusations of war crimes and other atrocities. It may be true, but it may be inflated as well. We must carefully vet the information that we hear.

Remember all of the misinformation that was fed to the world to push a useless and harmful vaccine. By the way have you seen the limited VAERS data released from the CDC? Over a million adverse events, including deaths and injuries. And that is only from censored data. We don't even have all of the data yet.

Also, remember the Harvard study that indicated less than 1% of adverse events were actually reported to VAERS? So theoretically, you could multiply this newly released data by a factor of 100 in order to get to the real numbers. Of course, we already knew the COVID shots were not safe and effective. The injuries and deaths are ongoing and escalating.

They lied to the world and the lies will continue.

We are getting a lot of new subscribers who maybe did not see all of the data presented in past articles. As a result, I wanted to confirm that the world is under a veil of lies and deception on every front.

If you use Google, you may never get to the real truth based upon their concerted censorship. Remember that they are the ones who set up the Chinese information control system, and they are implementing it on a global scale, right before our eyes.

I suspect that may be the reason why so many people who are signed up for this newsletter claim that they are not receiving it. Every week I get emails from people who ask me to sign them back up, because they are not receiving the messages. It's nothing we are doing on our end, so make sure you are using a reputable and secure mail server.

Finding truth and knowing truth is the key in this world of information and disinformation. If you are using Facebook, Twitter, TicTok, or other mainstream Social Media outlet to get your information, you are likely being fed distorted and skewed information.

Therefore, it is important to recognize that you are being subjected to propaganda and mind control. As smart as you might think you are, there is a wearing effect that goes on over time.

Make no mistake, you are the target of manipulation through emotionalism.

Religion became an emotionally based trip long ago, especially Evangelical and Charismatic Christianity.

If you watch and scrutinize popular Christian evangelistic services you will often see manipulation through emotionalism to get people to make a decision for Jesus or give money.

Look at what people did during the Crusades based upon their religious beliefs.

Politics has taken on the same emotionalism.

Look at how divided people are because of their political beliefs. They become impassioned, and even violent, in support of their political ideology or their particular candidate.

Ukraine is the bread basket of Europe, while Russia provides enormous amounts of energy to Europe, and it is a major supplier of grains and fertilizer.

The current conflict will have ripple effects throughout Europe and the rest of the world.

I saw an interesting political cartoon that showed Biden and Putin sitting across from one another. Biden was playing checkers while Putin was playing chess.

All of what we have been witnessing over the years looks like a chess game, but it is important to remember that while men conspire, YHWH is in control of it all. It doesn't matter what game they are playing, Yahushua will inherit the nations.

*"<sup>1</sup> Why do the nations rage, and the people plot a vain thing?<sup>2</sup> The kings of the earth set themselves, and the rulers take counsel together, against YHWH and against His Anointed, saying, <sup>3</sup> Let us break Their bonds in pieces and cast away Their cords from us. <sup>4</sup> He who sits in the heavens shall laugh; Adonai shall hold them in derision. <sup>5</sup> Then He shall*

*speak to them in His wrath, and distress them in His deep displeasure: <sup>6</sup> Yet I have set My King on My set apart hill of Tzion. <sup>7</sup> I will declare the decree: YHWH has said to Me, You are My Son, today I have begotten You. <sup>8</sup> Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession. <sup>9</sup> You shall break them with a rod of iron; You shall dash them to pieces like a potter's vessel. <sup>10</sup> Now therefore, be wise, O kings; Be instructed, you judges of the earth. <sup>11</sup> Serve YHWH with fear, and rejoice with trembling. <sup>12</sup> Kiss the Son, lest He be angry, and you perish in the way, when His wrath is kindled but a little. Blessed are all those who put their trust in Him.” Plasm 2:1-12*

So, let's all keep our attention on the Kingdom of YHWH, and not get caught up in the current narrative. Instead, stay focused on keeping the Appointed Times and pray for YHWH to: *“Teach us to number our days, that we may gain a heart of wisdom.”* Psalm 90:12

We want to be counted among the wise, and the only flag (banner) that you should be waving is His banner.

Remember the promise from YHWH? *“You have given a banner to those who fear You, That it may be displayed because of the truth. Selah”* Psalm 60:4

We should be looking for His banner, and be drawn to His banner.

*“He will lift up a banner to the nations from afar, and will whistle to them from the end of the earth; Surely they shall come with speed, swiftly.”* Isaiah 5:26

That banner is Yahushua, the Son of Elohim, the Son of David – the Root of Jesse.

*“And in that day there shall be a Root of Jesse, Who shall stand as a banner to the people; For the nations shall seek Him, and His resting place shall be glorious.”* Isaiah 11:10

Consider this: *“All inhabitants of the world and dwellers on the earth: When He lifts up a banner on the mountains, you see it; And when he blows a shofar, you hear it.”* Isaiah 18:3

So, listen for the shofar, and be careful what banner you are drawn to and display.

Are you wrapping yourself in “Old Glory”? Are you wearing blue and gold ribbons and displaying the flag of a corrupted nation, or is it the banner of YHWH that you are raising up every day?

Always remember your allegiance to the Messiah. Understand that we are being called out of the nations, while those nations are being judged.

His people are instructed to “come out of her,” and that involves coming out of Babylon – all of it.

*“And I heard another voice from heaven saying, Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.”* Revelation 18:4

We are supposed to come out for our own good - so we do not share in her sins, and suffer the judgment rendered upon Babylon.

“His people” are those in Covenant with Him. Only His people, who are set apart, will come out of the nations and be spared from judgment.

Babylon is the head and the face of a great beast that consists of the world dominating powers. This was the image shown to Nebuchadnezzar, Daniel and John.

Speaking of Nebuchadnezzar, remember that YHWH often uses powerful leaders to render His judgment. Nebuchadnezzar was a ferocious, cruel and ruthless leader, but YHWH called him “My servant.” (see Isaiah 45:1; Jeremiah 25:9; 27:6 and 43:10)

That is because he fulfilled the will of YHWH by judging nations.

Here is how his service in judging Tyre was described in Ezekiel:

*“<sup>18</sup> Son of man, Nebuchadnezzar king of Babylon caused his army to labor strenuously against Tyre; every head was made bald, and every shoulder rubbed raw; yet neither he nor his army received wages from Tyre, for the labor which they expended on it. <sup>19</sup> Therefore thus says Adonai YHWH: Surely I will give the land of Egypt to Nebuchadnezzar king of Babylon; he shall take away her wealth, carry off her spoil, and remove her pillage; and that will be the wages for his army. <sup>20</sup> I have given him the land of Egypt for his labor, because they worked for Me, says Adonai YHWH.”* Ezekiel 29:18-20

It may be that leaders like Vladimir Putin and Xi Jinping will also be classified as “servants” of the Most High throughout the coming judgment. I know this may sound bizarre or unpatriotic, but that’s the perspective that we need to understand if we truly belong to the Kingdom of YHWH.

Yahushua will bring justice to the nations, and we need to make certain we don’t get in the way.

*“Behold! My Servant whom I uphold, My Elect One in whom My soul delights! I have put My Spirit upon Him; He will bring forth justice to the Nations.”* Isaiah 42:1

As we witness to coming events, there will be destruction and sadness throughout this process. Look at all the people who voluntarily participated in a worldwide vaccine experiment, because they were deceived and manipulated due to fear. They have been suffering terribly and dying for the past year.

Remember that: *“There is a way that seems right to a man, but its end is the way of death.”* Proverbs 16:25

Instead of supporting a nation, I recommend that you pray for all the people who are being deceived or swept up in this drama. Pray that their eyes are opened so they can recognize the banner being raised by YHWH, and run to Him for protection.

As a final note, don't forget the UnitedinYah 12 hour Praise and Worship event scheduled to begin next Shabbat at 1:00 pm EST. You can go to this [link](#) for more information.
