

Passing the Tests and Learning the Lessons on the Journey from Bondage to the Mountain

A Message for Christians and followers of the Messiah as we Walk through this Age of Deception

Shabbat and Rosh Chodesh (Renewed Moon)
Gregorian Date: 04.25.20

Today is day 16 of the Omer count and the third Sabbath in our seven Sabbath count to Shavuot. It is also Rosh Chodesh – Day 1 of Month 2 on the Creator’s Calendar.

As the world is focused on a virus, the count up to Shavuot continues unabated, even if few are actually rehearsing it. I know that it is easy to be distracted by the craziness in the world and many find it difficult to remain focused. If you have not downloaded the free [2020 Omer Count Chart](#) from [Torahcalendar.com](#), I would encourage you to do so. It is a great resource.

For those of you new to the Torah, the Omer Count is a 50 day count that takes place from Passover to Shavuot, also known as Pentecost. It encompasses the period when Yisrael was departing Egypt to the time when they entered into a covenant at Sinai. It is marked by the first (resheet) barley offering and the firstfruits (bikkurim) wheat offering. The meaning and symbolism of this is profound when you consider the various parables and teachings of John the Baptist and Messiah Yahushua concerning wheat.

Of course it is no coincidence that the Temple in Jerusalem was built on a threshing floor. Remember what John the Baptist said about the Messiah. *“His winnowing fan is in His hand, and He will thoroughly clean*

out His threshing floor, and gather His wheat into the barn; but He will burn up the chaff with unquenchable fire.” Matthew 3:12

Yahushua provided the following parable: “²⁴ . . . The kingdom of heaven is like a man who sowed good seed in his field; ²⁵ but while men slept, his enemy came and sowed tares among the wheat and went his way. ²⁶ But when the grain had sprouted and produced a crop, then the tares also appeared. ²⁷ So the servants of the owner came and said to him, ‘Sir, did you not sow good seed in your field? How then does it have tares?’ ²⁸ He said to them, ‘An enemy has done this.’ The servants said to him, ‘Do you want us then to go and gather them up?’ ²⁹ But he said, ‘No, lest while you gather up the tares you also uproot the wheat with them. ³⁰ Let both grow together until the harvest, and at the time of harvest I will say to the reapers, First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn.’”
Matthew 13:24-30

Contrary to common teachings concerning the rapture, this passage makes me want to be “left behind” and stored in the barn rather than being taken first and burned in the fire.

Yahushua further stated that: “²⁶ The kingdom of Elohim is as if a man should scatter seed on the ground, ²⁷ and should sleep by night and rise by day, and the seed should sprout and grow, he himself does not know how. ²⁸ For the earth yields crops by itself: first the blade, then the head, after that the full grain in the head. ²⁹ But when the grain ripens, immediately he puts in the sickle, because the harvest has come.” Mark 4:26-27

These parables were given for a reason. They were intended to point and direct us toward this specific period of time of the grain harvest. Certainly, the people who He was teaching were well aware of the Appointed Times. They had been rehearsing them their entire lives, so they could apply His parables to those rehearsals. Sadly, most Christians have been taught that the Appointed Times of YHWH are

Jewish Holidays and, as a result, they fail to comprehend the significance of what Yahushua was teaching.

We read in the Book of Revelation about the great judgment of the Earth coinciding with a great harvest spanning from the grain harvest to the fruits at the time of the ingathering.

Revelation 14 describes this time and specifically details the harvesting by Messiah. *“¹⁴ Then I looked, and behold, a white cloud, and on the cloud sat One like the Son of Man, having on His head a golden crown, and in His hand a sharp sickle. ¹⁵ And another angel came out of the temple, crying with a loud voice to Him who sat on the cloud, ‘Thrust in Your sickle and reap, for the time has come for You to reap, for the harvest of the earth is ripe.’ ¹⁶ So He who sat on the cloud thrust in His sickle on the earth, and the earth was reaped.”* Revelation 14:14-16

So this is a significant time for anyone who follows Yahsuhua the Messiah and wants to be part of His Kingdom. As a result, keeping track of time and observing His calendar of events is highly significant. That is why I continually try to keep people focused while the enemy is constantly planting “tares” in order to confuse and deceive people.

I had an interesting conversation with the Torahcalendar developers last month and I thought it would be good to share a bit on the significance of the omer count. As we count seven sabbaths, seven weeks and 50 days to Shavuot it is important to understand that this is a pattern of the Jubilee. The reason why we rehearse this count every year is to remind us of the Jubilee and build anticipation toward that incredible year.

The Commandment concerning Shavuot involves counting weeks and counting days. Many are confused about how to Count the Omer and I have an article posted on line that should help clarify things. Clearly,

we are supposed to count 50 days and there is an incredible prophetic correlation between a day and a year.

There are some who teach that the Jubilee cycle is limited to 49 years and that the 50th year actually overlaps with the first year of a new cycle. That is simply incorrect and it is easy to prove the error by simply looking at the Commandment concerning the Jubilee.

“¹ And YHWH spoke to Moses on Mount Sinai, saying, ² Speak to the children of Israel, and say to them: When you come into the land which I give you, then the land shall keep a sabbath to YHWH. ³ Six years you shall sow your field, and six years you shall prune your vineyard, and gather its fruit; ⁴ but in the seventh year there shall be a sabbath of solemn rest for the land, a sabbath to YHWH. You shall neither sow your field nor prune your vineyard. ⁵ What grows of its own accord of your harvest you shall not reap, nor gather the grapes of your untended vine, for it is a year of rest for the land. ⁶ And the sabbath produce of the land shall be food for you: for you, your male and female servants, your hired man, and the stranger who dwells with you, ⁷ for your livestock and the beasts that are in your land - all its produce shall be for food. ⁸ And you shall count seven sabbaths of years for yourself, seven times seven years; and the time of the seven sabbaths of years shall be to you forty-nine years. ⁹ Then you shall cause the shofar of the Jubilee to sound on the tenth day of the seventh month; on the Day of Atonement you shall make the shofar to sound throughout all your land. ¹⁰ And you shall consecrate the fiftieth year, and proclaim liberty throughout all the land to all its inhabitants. It shall be a Jubilee for you; and each of you shall return to his possession, and each of you shall return to his family. ¹¹ That fiftieth year shall be a Jubilee to you; in it you shall neither sow nor reap what grows of its own accord, nor gather the grapes of your untended vine. ¹² For it is the Jubilee; it shall be holy to you; you shall eat its produce from the field.” Leviticus 25:1-12

So it is obvious that the Jubilee occurs on the 50th year in a count from 1 to 50, and the 50th year cannot also be the first year in a new cycle.

Since the Jubilee is a year of rest for the Land, that would mean the first year of the new cycle would also be a year of rest. You then would be unable to obey the Command in Leviticus 25:3-4 “³ Six years you shall sow your field, and six years you shall prune your vineyard, and gather its fruit; ⁴ but in the seventh year there shall be a sabbath of solemn rest for the land, a sabbath to YHWH.”

If you count year 1 in a new cycle the same as the 50th Jubilee year, then you could only plant and prune for five years in the first Sabbath (Shemitah) cycle. As a result, you would be disobeying the clear command to sow, prune and gather fruit for six years.

So the only way to properly obey the Torah commandment concerning the Jubilee is to count years like we could weeks and days for Shavuot – 49 plus 1 equals 50. It’s really that simple and that is why we rehearse it every year as a reminder.

Therefore, you determine the Festival of Weeks (Shavuot) by counting seven weeks after the First High Sabbath of the Feast of Unleavened Bread and then celebrating on the 50th Day. Some people mistakenly begin the count after the weekly Sabbath, but that can result in beginning the count outside of the Feast of Unleavened Bread.

We are not supposed to mix the weekly Sabbaths with the High Sabbaths of the Festivals. They are different sabbaths and that is why the weekly Sabbath was completely separated from the annual Appointed Times by the use of resumptive repetition in Leviticus 23:1-4.

We count the Jubilee in the same fashion as we count the weeks and days of Shavuot. I talk about those issues in an article entitled When Do We Celebrate Shavuot as well as my book entitled Appointed Times.

There is a lot of speculation concerning the next Jubilee and one of the biggest distractions that people have fallen prey to is looking at dates associated with the Modern State of Israel for proof. People have mistakenly applied Isaiah 66:8 to describe the founding of the Zionist State in 1948 and they made the same mistake calculating from the year that the Modern State of Israel took control of Jerusalem and the Temple Mount in 1967.

This is one of the errors perpetrated by the Israel Dilemma. So many Christian and Messianic teachers have been deceived into thinking that the Illuminati created modern State of Israel is the same as the Scriptural Covenant of Assembly of Yisrael. They then elevate Orthodox and Kabbalistic Jews as the chosen people and end up falling prey to Masonic dates and Jewish traditions. So many so-called teachers are deceiving, misleading and misdirecting people who are seeking the truth and the problem stems from following men instead of the Messiah.

Another problem is that most people don't even understand what the Jubilee is all about. First of all, it is a year that begins on the Day of Atonement (Yom Kippur) – a day associated with judgment and atonement. This is the Day that followers of Yahushua look to for forgiveness of sins by the shed blood of Yahushua.

We just passed through the Passover which had a similar theme and Yom Kippur is part of the finale of the Appointed Times that culminate with Succot – the Feast of Tabernacles and the Eighth Day in Month 7.

The Jubilee is called the year of “liberty” and it could also coincide with the Day of YHWH. The Hebrew word for liberty is “derowr” and it is likened to a bird being released from a cage.

How amazing that we consider this notion of liberty during this time when much of the world is in lockdown. People are told to stay at home and not leave, like a bunch of birds trapped in their cages. This is why the Prophets referred to the returning Yisraelites as flying back to the Land toward the banner of the Root of Jesse – Messiah Yahushua.

“¹⁰ And in that day there shall be a Root of Jesse, Who shall stand as a banner to the people; for the Gentiles shall seek Him, and His resting place shall be glorious.” ¹¹ It shall come to pass in that day that YHWH shall set His hand again the second time to recover the remnant of His people who are left, from Assyria and Egypt, from Pathros and Cush, from Elam and Shinar, from Hamath and the islands of the sea. ¹² He will set up a banner for the nations, and will assemble the outcasts of Yisrael, and gather together the dispersed of Yahudah from the four corners of the earth. ¹³ Also the envy of Ephraim shall depart, and the adversaries of Yahudah shall be cut off; Ephraim shall not envy Judah, and Judah shall not harass Ephraim. ¹⁴ But they shall fly down upon the shoulder of the Philistines toward the west; together they shall plunder the people of the East. They shall lay their hand on Edom and Moab; and the people of Ammon shall obey them.” Isaiah 11:10-13

Regrettably, many people think that the focus of a future return is about getting Jews into the Land, whether or not they even believe in YHWH or Yahushua. The prophesied return to the Land is clearly focused on Yahushua the Messiah, not the Modern State of Israel. And those returning will be from the outcasts of Yisrael and Yahudah scattered around the world who hear the call of the Master and run to His Banner.

Remember the rehearsal that we just completed at the Passover meal and read the following promise. *“²⁶ He will lift up a banner to the nations from afar, and will whistle to them from the end of the earth; Surely they shall come with speed, swiftly. ²⁷ No one will be weary or stumble among them, No*

one will slumber or sleep; Nor will the belt on their loins be loosed, Nor the strap of their sandals be broken.” Isaiah 5:26-27. I hope you can see the connection between the final exodus and the Appointed Times.

Sadly, there is so much disinformation being bantered about that it is hard for people to know what to believe. We are going to get more clarity on the Israel Dilemma but I feel it is important to address some additional issues regarding the current COVID-19, because I believe this event is laying the groundwork for the great end-times deception.

You know, I grew up as a teenager hearing about the Mark of the Beast and I thought for sure that it would be so obvious to the world when it arrived. What I didn't realize at the time was how society was essentially being dumbed down through fluoride, vaccines, toxins, pollutants, public education, mindless television, drugs, alcohol, etc . . . that most of society has become weak-minded, self-indulgent, pleasure-seeking, apathetic zombies with no spiritual insight whatsoever.

Likewise, as we have seen, there are a group of deranged, power-hungry, wealthy, elite pawns empowered by the kingdom of darkness who are collaborating with corrupt politicians, immoral entertainers, corporate leaders and others who are literally conducting occultic rituals on television and over the internet that have cast a spell over the world and created a sort of mass hypnosis.

These are the same forces that have deceived people for millennia promising wealth and success if they would sell their souls. This all traces back to the garden and the corruption of the image of Elohim that began there, perpetrated by the serpent. The Hebrew word for serpent is “nachash” and it refers to an enchantment or a spell.

The “nachash” cast a spell of deception over the man and the woman with promises that “you will surely not die” and “you will be like Elohim.” (Genesis 3:4-5) Of course, isn’t that the same goal as the elite globalists who want to live forever and be gods? They have sold their souls for the same recycled promises originating from the deception in the Garden and now look to transhumanist techniques to live forever.

That deception of the “nachash” continued as the fallen angels corrupted and established the kingdom of darkness on this planet. We read hints of this past in Genesis 6 and 1st Enoch further elaborates on the conditions that led up to the flood. The dark forces had established a world empire and used the “daughters of men” to perpetuate their new hybrid Nephilim race – often referred to as giants.

We read glimpses of the pre-flood past through various mythologies and the archaeological evidence of these ancient evil beings are scattered all over the planet. Sadly, they are attributed to ancient aliens by some, rather than the Scriptural Nephilim. We now see the disembodied spirits of these hybrid beings posing as demons, desperately looking for bodies to possess. Many have found their homes within the evil rulers of this world.

This ancient struggle is now reemerging from the depths of the flood waters as the Beast rises from the sea (Revelation 13). This is all leading up to an even bigger deception that is being planned for the masses who are currently being hypnotized to “Stay home ... Save lives ... Stop the spread ... Flatten the curve.”

This is the absurd mantra that is being pounded repeatedly into the fearful masses who willingly submit to tyrannical leaders based upon promises of protection from an invisible enemy. They are literally being brainwashed.

Interestingly, the Nazis effectively sold their propaganda to the masses through “Für Ihre Sicherheit” – “It’s for your safety”. Of course, we have already been warned by Solomon that “there is nothing new under the sun” (Ecclesiastes 1:9) and this new COVID-19 pandemic is right out of the Illuminati playbook – literally. Let me explain.

In May 2010, The Rockefeller Foundation and Global Business Network published “Scenarios for the Future of Technology and International Development.” That document outlined a scenario entitled “Lock Step” describing a time when “the pandemic that the world had been anticipating for years finally hit.” The report used numbers similar to those projected by the scientific models used by the governments of the world to justify their “Lock Down.”

The report goes on to describe that “the pandemic also had a deadly effect on economics: international mobility of both people and goods screeched to a halt, debilitating industries like tourism and breaking global supply chains. Even locally, normally bustling shops and office buildings sat empty for months, devoid of both employees and customers.”

This is exactly the scenario that exists in the world today, but it is not the result of a virus, it is the direct result of governments, leaders and their corrupt scientists.

But wait, here is where the report gets really interesting. It goes on to report that “The Chinese government’s quick imposition and enforcement of mandatory quarantine for all citizens, as well as its instant and near-hermetic sealing off of all borders, saved millions of lives, stopping the spread of the virus far earlier than in other countries and enabling a swifter pandemic recovery.”

This is exactly the scenario that we saw happen resulting in the endless propaganda “Stay home . . . stop the spread . . . save lives.” The scenario went on to state that “China’s government was not the only one that took extreme measures to protect its citizens from risk and exposure. During the pandemic, national leaders around the world flexed their authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body temperature checks at the entries to communal spaces like train stations and supermarkets.”

The report went on to describe how, under this scenario of fear, the masses would willingly submit and would actually be eager to give up their sovereignty and privacy in exchange for greater safety and stability.

To top it off, they actually rehearsed this scenario through a simulation called Event 201 in New York City in October 2019, only a month or two before the release of COVID-19 when China began to implement the “Lock Step” scenario.

So far, the plan has gone flawlessly, despite the absence of a pandemic. I have shown in recent messages how they have tried to stage a pandemic for decades, but the viruses keep dissipating on their own. Viruses such as H1N1, SARS and MERS didn’t spread as far and wide as needed to declare a worldwide pandemic, but now this “invisible enemy” is simply ingenious because nobody has the resources or access to verify the numbers being espoused by John Hopkins, one of the sponsors of Event 201.

There are currently numerous strains of coronavirus throughout the world. They are quite common and probably the most recognized coronavirus is what we refer to as the flu. Most people on the planet have probably been impacted by a coronavirus at some point, which

means we all would likely have coronavirus antibodies and depending upon the test, most people would likely test positive for coronavirus.

Further, the flu spreads and cycles around the world every year in a fairly predictable fashion. So the genius here is that they simply rebranded, and maybe modified, a strain of coronavirus that is known to spread throughout the world every year and they rode the back of a coronavirus to implement their pandemic.

So here is your reality check. According to the reported numbers, there have been 52,000 deaths in the United States attributed to COVID-19 and 198,000 deaths worldwide.

The models predicting millions dead across the globe and even in the United States were clearly wrong, but they were effective in implementing the “Lock Step” scenario. Countless doctors and professionals are coming out stating that the models were wrong, the predictions were wrong and even the treatment is wrong. There is no doubt that the entire scheme perpetrated upon the masses by world governments is incompetent at best and criminal and evil at worst. Regardless, the governments keep marching forward implementing “Lock Step”, ignoring the reality and continuing the fiction.

We have seen governors and mayors act like fascist dictators all under the guise of saving lives and those who disagree or failed to comply with their martial law tactics were treated as enemies of the state. Many citizens even joined into the brainwashing by attacking, harassing and turning in their neighbors under the misplaced notion that they were jeopardizing the lives of others. Police are even arresting mothers who are taking their children to the park to play.

People have literally lost their minds over this COVID-19 flu virus – seriously. Now let’s be frank. This entire world-wide lockdown was an

unprecedented experiment that began with the Chinese Government and there was not a shred of evidence that it actually worked. There is no scientific precedent to mass quarantines and lockdowns actually working.

While many experts are screaming warnings and sounding the alarms, their voices are being suppressed, censored and drowned out by the mainstream media.

A recent article was published by Wilfred Reilly on April 22, 2020 entitled “There is no empirical evidence for these lockdowns.” The article compared infection rates in US states that locked down versus states that did not and adjusted for populations. The conclusion is that the lockdown measures were not effective. So the shredding of the Constitution, the collapse of the American economy and the destruction of millions of lives was unnecessary and a mistake.

The science is becoming increasingly clear as more data emerges that this is nothing more than a standard flu outbreak. We are still nowhere near the annual worldwide flu numbers, and as previously discussed, we cannot trust the numbers provided by the CDC because they are now aggressively working to inflate them.

Ultimately, the best way to test this pandemic is to compare the number of deaths to previous years. If the numbers are unusually high, then maybe that would point to a pandemic. If, on the other hand, the number of deaths are within the average range, you would have to suspect a problem.

Well let me blow your mind. Despite all of the media propaganda that you may be seeing on television, The Mises Institute published an article on April 6, 2020 titled “In March, US Deaths from COVID-19 Totaled Less than 2 Percent of All Deaths.” Well that doesn’t sound

like a pandemic to me, and the article essentially destroys the hype used to justify implementation of the “Lock Step” narrative.

Now hold on, because it gets even better. It turns out that the number of deaths in the United States, in the month of March 2020, while supposedly in the midst of this pandemic, is actually far lower than previous years.

An article published on April 8, 2020 by Jim Hoft provides: “*According to data obtained from the CDC’s National Center for Health Statistics Mortality Surveillance System website, total U.S. deaths for the first three weeks of March are DOWN 10% from the average of the prior four years for the same three week period . . . Now after deaths for the entire month of March are reported, the results show that deaths in the US this March are 15% less than the average of the past four years!*”

While there may be adjustments for other areas reduced because of people staying home, how do you get a 15% reduction in overall deaths during a pandemic? The answer is that we are not in a pandemic, we are in the middle of the flu season.

So I am saddened to report that the leaders of this world are either fools, despots or psychopaths. They are definitely liars and despite what they are telling you - we are not “all in this together.” As George Carlin aptly stated many years ago “It’s a big club and you ain’t in it!”

They have a plan that involves your future, and the future of the planet, and they have pulled out all stops to implement that plan. The models used were wildly inaccurate and they were not peer reviewed. The hospitals were not overwhelmed as predicted. I have heard from numerous sources and even done my own investigation to see that the trauma tents and hospitals were, in many cases, empty.

All of the evidence points to the fact that this was a contrived and coordinated fear campaign intended to destroy the world economy. The economy was already in terrible shape and the COVID response was what pushed it over the edge.

That is very similar to what the virus did with sick people. The virus itself did not likely kill many people. The statistics from Italy reveal that approximately 99.2% of the people who they claimed died from COVID-19 actually had 1, 2, 3 or more serious medical illnesses. So they inflated the numbers, which is now exactly what is occurring in the United States, per CDC directive, in order to justify the “Lock Step” narrative.

Seventy percent of all employment comes from small business and it appears that the lockdown was intended to destroy small business, most of which has been deemed “non-essential” by state leaders.

Deeming certain people as “essential” and others as “non-essential” is incredibly demeaning and destructive. It elevates people to higher status, and that is part of what we are seeing with the elevation of healthcare workers who are doing their jobs, and getting well paid while others are being laid off. The classification of businesses and closing “non-essential” businesses is completely unconstitutional and a violation of the Commerce Clause. Add that to the list of violations and offenses by State and local officials who have decimated the US Constitution.

Of course, that was part of the goal along with the orchestrated collapse of small businesses, which has led to 26 million people becoming unemployed in about a month with more to come. This also does not include all of the people still employed, but earning less money on reduced hours.

Incredibly, the government is now borrowing money to pay these laid off employees more on unemployment than they made while working. This will be a disincentive for people to return to work making it even more difficult for small businesses to recover.

This will no doubt lead to the bankrupting of many businesses and the permanent loss of those jobs. So once people come off of this government funded vacation, there won't be jobs to return to. Tax revenues will dwindle and individuals, cities, states and probably the entire country will end up going bankrupt.

We will likely see the rise of large corporations filling in the void, all plugged into the AI Beast System. And if you want a job, you had better have the appropriate ID mark.

So neither the pandemic or the subsequent responses make any logical sense if you examine them outside of the plans of the New World Order. They all make perfect sense when you consider the resulting destruction and resurrection as the Beast System rises from the ashes. That has always been the plan of the New World Order and many don't realize that the original bird of the United States was the Phoenix, not the Eagle. The original seal of the United States of America tells the story. We can currently see remnants on the back of the One Dollar Federal Reserve Note.

The simple fact is that the world is ruled by dark spiritual forces and their pawns and minions who want you dead so they can restore the kingdom that existed before the flood. That is why Yahushua referred to that period when He spoke of His return. *“And as it was in the days of Noah, so it will be also in the days of the Son of Man.”* Luke 17:26

This has all the earmarks of the epic battle that we have long anticipated when *“the stone cut out of the mountain without hands”*

and “the stone which the builders rejected” destroys the Beast System and “*the Elohim of heaven will set up a Kingdom which shall never be destroyed; and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever.*” (see Daniel 2:44-45 and Psalm 118:22)

Until that day, we see this entire COVID-19 ordeal was a contrived debacle intended to instill fear in people so that they would submit to the New World Order. Their social distancing and mask requirements are how they can gauge the fear and measure the control that they have on the people.

They are dehumanizing every individual and treating everyone as if they are a walking deadly virus that could infect everyone else. Rest assured that these insulting and degrading measures are all “for your own good” and will “save lives”. We have seen these same tactics of separation and dehumanization throughout history in cults, oppressive religions and oppressive societies. They are tactics utilized by tyrants to control people.

Forcing people to wear useless and ineffective masks is not much different than forcing Jews to wear hexagrams. It is a mark of control and it is a precursor to the Mark of the Beast. Let’s face it, the core of our interpersonal relationships involves assembling together, face to face, enjoying verbal and physical contact with one another. Separating people and making them afraid to contact other people is destroying the sense of community and increasing the fear factor for many because of the isolation.

I now actually see people driving alone in their cars with a mask on! If it wasn’t so serious I would laugh hysterically because it is truly absurd and surreal. Honestly, I feel like I have been transported to another planet, especially when I am in New York. I have not altered my

behavior nor will I wear a mask, but I feel like I'm living in a movie surrounded by people whose minds have been taken over by some extraterrestrial beings.

Now don't get me wrong. I'm all for masks if they are actually needed. In fact, in early January I thought that this might actually be a real pandemic and I resupplied with newer and better masks. I was a Boy Scout growing up so I think it's always a good idea to "Be Prepared."

I was prepared to provide masks for my friends and family if there was, in fact, a weaponized virus or a real pandemic. But I soon saw that the numbers just weren't adding up and the lies and coordinated propaganda machine that quickly kicked in place to promote this contrived pandemic was far too obvious. Once I saw the rapid lockdown of the world and the collapsing of the economy, it became abundantly clear what was going on.

They even stated that masks weren't effective when the virus was peaking and now that it is subsiding, many places are requiring masks? It makes no logical sense and if you try to find any logic or reason amidst all of this nonsense you are only going to get frustrated.

None of these requirements are effective or necessary. They are simply the initial control mechanisms that will lead to further measures such as mandatory testing and vaccines, unless the momentum of this wave is stopped.

Now recall that all of the initial tests were tainted with COVID-19 so people who got tested actually were given the virus. Also, the annual flu vaccine for various strains of coronavirus are nowhere near 100 percent effective, more in the area of 50%, and with the continuing mutations there is no way there will be a totally effective vaccine.

Then consider the toxins that will be in those ineffective vaccines and we have a real pandemic in the making. The genius in this diabolical plan is that they can keep blaming the pandemic on the COVID-19 or a new mutant strain and the vaccines will go on ad infinitum.

So anyone who promotes or promises a cure to this is part of the lie. It's all a pipedream and an illusion intended to focus people's fears and hopes and it all amounts to psychological terrorism.

The testing and vaccine have nothing to do with saving lives and the entire notion that vaccines save lives is a myth.

Ty and Charlene Bollinger have produced a video series entitled the Truth About Vaccines. They have been releasing the episodes for free daily since April 22 and they are supposed to remain free to view for the time being. I have not seen it yet, but if it is anything like their series The Truth About Cancer, it is sure to be eye opening. Here is the [link](#).

The bottom line is that elite want to reduce the world population to 500 Million which means they need to get rid of 7 Billion people to achieve and maintain their goal. I mentioned this in my recent video on the [Georgia Guidestones](#). Bill Gates already has an incredible track record for killing and maiming people through his vaccination programs, so who better for the job?

He even has a plan to provide a digital identification for everyone who gets the required vaccines through ID2020, a Non-governmental Organization (NGO) formed through the United Nations in 2016. Clearly, they chose 2020 as the year to implement this plan. Very conveniently, Microsoft has recently developed a new cryptocurrency Patent WO2020060606A1.

WO stands for World Intellectual Property Organization, 2020 stands for the year of the patent and 060606 is clearly 666 in gematria as the zeros are insignificant. The AI appears to refer to Artificial Intelligence.

The patent actually incorporates mining of the cryptocurrency through the activity of a person's body instead of using computers. The mining activity of each person will be determined by a sensor coupling the person's body with the cryptocurrency network – ie. the AI Beast System. A person will need to be “plugged in” to buy or sell or function in the society.

So this appears to be the final piece of the puzzle constituting the Mark of the Beast described in Revelation 13, which will include a toxic filled vaccine combined with a universal ID and a tattoo or chip linked to a digital currency.

Most people gripped with fear fail to see the snare that they are walking into. Interestingly, the founding fathers warned of the mistakes people are currently making. Thomas Jefferson stated: “If people let the government decide what foods they eat and what medicines they take, their bodies will soon be in as sorry a state as are the souls of those who live under tyranny.”

Benjamin Franklin famously stated: “Those who would give up essential Liberty, to purchase a little temporary safety, deserve neither Liberty nor safety.”

Sadly, the public schools have failed to prepare most Americans for the deception they are facing. The churches have also failed miserably. We have all been indoctrinated and brainwashed through public education and 501 (c)(3) religious organizations much of our lives, preparing us for the Beast System.

Many of you have discerned one tentacle of the Beast System that has infected religion. I mentioned the pollution and depravity of the medical system in the last message and there are many other tentacles of the Beast System that we refer to as Babylon. It is time that we truly “come out of her . . . lest we share in her sins and lest we receive of her plagues” (Revelation 18:4)

I’ve been on my soapbox for a bit because I cherish the freedoms that I have enjoyed in my life. They have allowed me to do things for the Kingdom that could have been much more difficult in other countries. It grieves me to see gullible people willingly give up those freedoms that others fought and died for.

Of course, the Constitution is an obstacle for any despot. That is why many states decided to close down courts and suspend the rule of law while they trampled on the Constitution.

Very interestingly, the founding fathers gave a warning and a prescription for what we are seeing. Here is what they provided in the Declaration of Independence:

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.”

Those sound like fighting words. Are they suggesting that the people overthrow any government that impinges upon the rights of the people that they should alter or abolish it – even the United States?

Well, probably, but that would be defined as domestic terrorism and I believe it's too late for that fight. The problem is that Americans long ago gave up their sovereignty to central banks and outside forces. Special interests, lobbyists and corporations now line the pockets of politicians and they control much of the government. Most have no idea the tyranny they have been under for decades and the patriots who decide to join in a revolution now will likely be swiftly dispatched.

I myself am waiting for the return of the King, because I belong in a different Kingdom. In fact, it's very interesting that Yahushua had some "patriots" in His circle. Some wore swords and weren't afraid to use them. Yahushua never told them to disarm. In fact, when it was coming time for Him to be arrested they told Him that they had two swords, and His response was "*It is enough.*" Luke 22:38

His point was abundantly clear. They were not going to be taking on the Roman Empire with two measly swords and when Peter later used one of them to cut off the right ear of the High Priest's servant, Yahushua healed the man. (Luke 22:51)

The reason I'm addressing these issues is because our faith is not hypothetical. We have to live it under any situation that we find ourselves. YHWH places us in these circumstances to test and refine us. So it is important how we walk out our faith in this world around us – especially now as we recognize the evil and the deception

When Yahushua said "follow Me" to His disciples, He was living in times much worse than we are currently experiencing. While we can

see through the agenda of the evil ones who currently rule the world, so far we are just a little inconvenienced.

We have not experienced oppression, persecution, tribulation and death like the Yahudim experienced in His times. I will be completely honest with you, this is a part of Leaving Babylon that I did not fully address in my video series, but it will go in the book, YHWH willing.

As a freedom loving American who enjoyed the notion of “life, liberty and the pursuit of happiness” most of my life, this current tyranny has been a bit frustrating. As an attorney who defends people against government prosecution, I have had more than a few “moments of venting” to my family as I witness our rights quickly disintegrating - just ask them.

It is hard to separate from our lives of flesh here on this earth. It is hard to watch evil succeed in their nefarious plans and dismantle the last vestiges of the country we were born and raised in. Since we were young children we have “pledged allegiance to the flag of the United States of America.” The problem is that our parents should never have let us take that pledge, because we are not of this world if we belong to the Kingdom.

Here is what Yahushua prayed for His disciples: *“¹⁴ I have given them Your word; and the world has hated them because they are not of the world, just as I am not of the world. ¹⁵ I do not pray that You should take them out of the world, but that You should keep them from the evil one. ¹⁶ They are not of the world, just as I am not of the world. ¹⁷ Sanctify them by Your truth. Your word is truth. ¹⁸ As You sent Me into the world, I also have sent them into the world. ¹⁹ And for their sakes I sanctify Myself, that they also may be sanctified by the truth.”* John 17:14-19

John also exhorted us: *“¹⁵ Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. ¹⁶ For all that is in the world - the lust of the flesh, the lust of the eyes, and the pride of life - is not of the Father but is of the world. ¹⁷ And the world is passing away, and the lust of it; but he who does the will of Elohim abides forever.”* 1 John 2:15-17

That is why I discourage people from becoming patriots in the carnal sense or rallying behind any man to save them from the New World Order. I know that some are holding out hope for President Trump to be their knight in shining armor. We have all been raised to believe in the struggle between good guys and bad guys, but sometimes they are just all bad guys.

We need to place our trust and hope in Yahushua and follow His example. He didn't intentionally pick a fight with Rome, because He had a higher calling. He went about His Father's business. He didn't let Rome concern Him until it was time to finish His mission and go to the execution stake.

I'm quite certain that Yahushua would not socially distance or wear a mask and it's about time that followers of Yahushua walk the walk instead of just talking the talk.

I was ashamed to see Christian church leaders actually succumb to this nonsense and stop assembling together. While I have my differences with the lawlessness promoted through the Christian religion, those who claim to follow the Messiah should at least show some backbone and fortitude.

What about Hebrews 10:24-25 which states: *“And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see*

the Day drawing near.” How incredibly relevant this text is to our current circumstances as we “*see that Day drawing near.*”

What happened to preaching the Good News proclaimed through Isaiah that: “*He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed.*” Isaiah 53:5

What about the power of the Holy Spirit and laying hands on the sick and healing? Are we really going to stop doing the work of the Kingdom because of ridiculous government propaganda? Are we now going to rely on Facebook as the avenue for fellowship and worship because of an invisible enemy? For goodness sake, Christians are supposed to be seasoned experts at dealing with an invisible enemy.

Don’t they believe Paul? “*For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.*” Ephesians 6:12

Are followers of Yahushua going to stop practicing their faith because they are afraid of going to jail? In case you didn’t realize it, YHWH is very good at setting prisoners free. (Acts 12:5-7 and Acts 16)

Indeed, we have a great promise confirmed by Yahushua: “*The Spirit of Adonai YHWH is upon Me, because YHWH has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound.*” Isaiah 61:1

How about demonstrating some faith? If He doesn’t want you in prison, He’ll get you out. He also warned some of His followers that they would go to prison to be tested, but not to fear. He promised a

great reward for those who are faithful unto death (Revelation 2:10) So you simply need to trust Him whatever happens.

I can say with almost absolute certainty that if every pastor in America opened their church doors, there is nothing that the government could or would do about it. Instead, almost all of them crumbled under the fear and pressure. What a disgrace. They should all return their paychecks, resign and go find an “essential” job. My hat goes off to the few who stood their ground.

How quickly people forget their history. It was pastors and preachers like Martin Luther King, Jr. who stood up to injustice and were the leaders in the Civil Rights Movement. They practiced civil disobedience and were not afraid of being arrested and going to jail for doing the right thing.

Instead, the modern shepherds hid behind their webcams, careful to be compliant with the most egregious tyranny that this country has likely ever seen. The governments shut down religion in America with hardly a peep or a protest.

It's time for people to wake up and start doing the work of the Kingdom while there is still time. I can hear Yahushua now “*Why do you call me ‘Lord, Lord,’ and not do what I tell you?*” Luke 6:46 The sad fact is that there are many who call Him Lord, but He does not know them because they are not actually following Him.

Yahushua would not have stopped speaking the truth, assembling together and He certainly would not be social distancing, except maybe to find some peace to pray.

There may come a time when we fight, but that fight will not be for America, it will be for Tzion when we are called to return in the time of the latter rain. (Zechariah 10:1-12)

We recently rehearsed the Passover when YHWH called a Covenant people out of bondage and Yahushua renewed that Covenant at the Last Passover – the Last Supper. So we look to this time for guidance and direction. It is important to remember that when YHWH delivered Yisrael from Egypt, they did not leave in fear or panic. They departed as a conquering army in an orderly fashion.

Here is how the Scriptures describe it. *“³ They departed from Rameses in the first month, on the fifteenth day of the first month; on the day after the Passover the children of Israel went out with boldness in the sight of all the Egyptians. ⁴ For the Egyptians were burying all their firstborn, whom YHWH had killed among them. Also on their gods YHWH had executed judgments.”* Numbers 33:3-4

We also read the following account. *“⁵⁰ Thus all the children of Yisrael did; as YHWH commanded Moses and Aaron, so they did. ⁵¹ And it came to pass, on that very same day, that YHWH brought the children of Yisrael out of the land of Egypt according to their armies.”* Exodus 12:50-51

In fact, the Scriptures go on to record: *“Elohim led the people around by way of the wilderness of the Red Sea. And the children of Yisrael went up in orderly ranks out of the land of Egypt.”* Exodus 13:18

The Hebrew word for “orderly ranks” is “hamashym” which literally means: “fifty”.

The Yisraelites departed Egypt, the most powerful empire of the time, leaving them completely decimated. They marched out as a conquering

army in companies of 50, but that was only the beginning of the process of redemption.

I started out by reminding you about the importance of counting the Omer – 50 days. Their march out of Egypt is another connection between the 50 day count that occurs between Unleavened Bread and Shavuot, and this is what we should be considering during this period of time.

YHWH is building an army and we need to remember part of the journey from Egypt to Sinai involved preparing and testing that army.

The generation of Yisraelites who left Egypt were tested and they failed. Moses prayed that YHWH would forgive them and here is the response. ²⁰ *Then YHWH said: ‘I have pardoned, according to your word; ²¹ but truly, as I live, all the earth shall be filled with the glory of YHWH — ²² because all these men who have seen My glory and the signs which I did in Egypt and in the wilderness, and have put Me to the test now these ten times, and have not heeded My voice, ²³ they certainly shall not see the Land of which I swore to their fathers, nor shall any of those who rejected Me see it.’*
Numbers 14:20-23

So our actions have consequences. While we may receive forgiveness we can still blow it. We see that there were ten times that Yisrael was tested and actually put YHWH to the test by not heeding His voice. Indeed, the first time occurred within the week of the Feast of Unleavened Bread, just days after marching out of Egypt as they camped on the edge of the Red Sea.

When they realized that Pharaoh’s army was approaching from the West and they were trapped, they immediately panicked. ¹⁰ *And when Pharaoh drew near, the children of Yisrael lifted their eyes, and behold, the Egyptians marched after them. So they were very afraid, and the children of*

Israel cried out to YHWH. ¹¹ Then they said to Moses, ‘Because there were no graves in Egypt, have you taken us away to die in the wilderness? Why have you so dealt with us, to bring us up out of Egypt? ¹² Is this not the word that we told you in Egypt, saying, ‘Let us alone that we may serve the Egyptians’? For it would have been better for us to serve the Egyptians than that we should die in the wilderness.’ Exodus 14:10-12

Can you see the power of fear? Imagine all that they had witnessed and they wanted to go back and return to slavery. Don't forget that they were being led by the Melach (Angel) of Elohim as a pillar of fire and a cloud. Instead of placing their trust in YHWH, they allowed Pharaoh to instill fear.

This is no different from what we are seeing today. Many people talk about being saved, but when their faith is put to the test they succumb to fear. The Beast System is no different than Pharaoh and his chariots. It is destined to be judged and destroyed. In the meantime, it will attempt to chase down the people of YHWH and instill fear in them.

When that happens, it is critical that we remember the words of Moses. *“Do not be afraid. Stand still, and see the salvation of YHWH, which He will accomplish for you today . . . ¹⁴ YHWH will fight for you, and you shall hold your peace.”* Exodus 14:13-14

You see, contrary to the notion of grace promoted by Christianity, you can definitely fall on your face and fail the tests. In fact, many people will fail this first test, and I pray you are not one of them.

Yahushua specifically taught that there will be wise virgins and foolish virgins. The foolish ones will be shut out of the Wedding Feast because they don't have enough oil in their lamps and are not shining forth His light (Matthew 25:8). They end up missing the Appointed Time and their opportunity. They arrive late and try to get in, but the

Bridegroom proclaims: “Assuredly, I say to you, I do not know you.”
(Matthew 25:12)

I hope it is clear why I stress the importance of the Calendar and the Appointed Times. Yahushua had previously described these foolish virgins and they are clearly Christians, because they were calling Him “Lord” and they alleged that they were prophesying in His Name, casting out demons in His Name and performing miracles in His Name.

They are described as “many” who think they are following Him, but they are told “*I never knew you, depart from Me you who practice lawlessness.*” (see Matthew 7:21-23)

This group is lawless because they failed to follow the Torah – the instructions in righteousness. They claim to follow Him, but they are still sinning! The Scriptures clearly state: “*Whoever commits sin also commits lawlessness, and sin is lawlessness.*” 1 John 3:4

Yahushua never knew them because they did not express their love through obedience. He stated: “*If you love Me keep My Commandments.*” John 14:15 These are the ones who receive mercy. (Exodus 20:6)

So it doesn’t matter what you say, as much as what you do. Many will call Him Lord and many will likely say that they love Him, but He doesn’t know them, because they don’t obey Him.

It is time for Christians to stop preaching lawlessness veiled as “grace” and start repenting and following Yahushua before it is too late. They need to put off fear, and put on love and boldly start living, teaching and preaching the true message of the Messiah who is named Yahushua – not Jesus.

Yahushua died for us because we sinned and were lawless. He offers us forgiveness as a free gift – that is the very definition of grace. While we cannot earn that forgiveness through our actions, we are also called to repent, and that does require action. Repentance means that we turn from our lawlessness and follow His Instructions – His Commandments. Once we receive the free gift of salvation we turn from our former lawlessness, stop sinning and follow Him.

That is the Good News, often referred to as the Gospel, and that is the truth that we must be living and proclaiming in this age of deception. The point is not to simply survive and exist in Babylon - the point is to live and thrive in the Kingdom. If you can keep that straight you will do well in the days ahead.
