EGYPT TO ARABIA TO THE JORDAN CROSSING THE EXODUS PROOF!

The Egyptian visits allow you to walk the same paths as Moses and stand face-to-face with the same Pharaoh whom Moses addressed in the time of Exodus. You will visit historic sites, including the Pyramids of Giza, Egyptian Museum, Fayoum: Land of Joseph, Goshen and Avaris and the enigmatic column of "On" at Heliopolis in Egypt's most ancient city:

"In that day five cities in the land of Egypt will speak the language of Canaan and swear by the Lord of hosts; one will be called the City of Destruction. In that day shall there be an altar to the Lord in the midst of the land of Egypt, and a pillar at the border thereof to the Lord."

Isaiah 19:18-19

You will be accompanied by a scholar who can tell you what it says. Not only will you see the Egyptian sites of the Exodus, but also those of Joseph. You will learn of the miraculous story of God's faithfulness to the Egyptian people by sending His servants, Abraham,

Jacob, Joseph, and Moses, to share in the unfolding of His glory. You will learn on this visit the importance and the documentation to which they responded and in which they believed. The evidence has always been there; yet, standard Egyptologists are not trained to speak about it. Next, you will receive a teaching on how the Proto-Hebraic language spread across the Red Sea via Joseph and his children, and where God formalized it in the Ten Commandments received by Moses. You will be witness to and see the earliest Hebrew languages directly in front of Mount Sinai in a cave that's hidden from view. Deuteronomy 6:6: "And these words which I command you today shall be in your heart. 7 You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. 8 You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. 9 You shall write them on the doorposts of your house and on your gates." With that, and more, it was the great Exodus!

EMBARK ON AN ANCIENT JOURNEY

The foundational narrative of the Exodus, as outlined in the second book of the Torah of **אִשְׁרָאֵל** contains some of the most vital and momentous accounts in the Torah. The quest to uncover the archaeological and geological evidence of the Israelites' liberation from Egypt, Moses' revelation at Mount Sinai, and the nation of Israel's ensuing desert wanderings has captured the hearts and minds of some of history's most brilliant scholars and explorers. Cartographers, archaeologists, scientists, adventurers, historians, and disciples of all backgrounds have sought out the genuine locations depicted in ancient manuscripts. Finally, with the advent of state-of-the-art technology and the ever-increasing political stability of the region, the northwest corner of Arabia has begun to divulge its buried secrets. This tour has been designed to include time at the end for further investigations, in which you will partake! You will be a first-hand witness to the expansion and revealing of the region's antiquities, which have remained behind the veil until this time.

Join author Todd D. Bennett on an intensive and rich exploration to see the newest discoveries as they pertain to the Biblical texts, while you assist with any new research that needs to be completed. The tour cost (not including airfare) is \$6,329 per person (sharing a double room). We can match roommates, or you may also pay the additional supplement for a single room. You can also add the Joshua and Exodus extension for 5 days for an additional \$1,789 per person (sharing a double room). See price grid, below.

An air itinerary is suggested if you book with us, or you may book on your own out of New York/JFK on Egypt Air round-trip. At the time of brochure printing, the round-trip air ticket from New York is \$1,286 in economy class (includes an overnight hotel room instead of sitting in an airport for a layover) or \$4,286 in business class.

"So when the famine had spread over all the land, Joseph opened all the storehouses[h] and sold to the Egyptians, for the famine was severe in the land of Egypt. 57 Moreover, all the earth came to Egypt to Joseph to buy grain, because the famine was severe over all the earth."

April 1, Wednesday: Egyptian Museums, Joseph's Storehouses, and Archaeology

You will have breakfast at the hotel and then visit the Egyptian Museum, which will likely be your most intense and enthralling visit in all of Egypt. It has a wealth of Biblical antiquity and documentation that will prepare you for your next few days. You will have lunch nearby. This afternoon will likely prove to be one of your favorites: Fayoum. You may be one of today's only visitors to the storehouses that were built by Joseph and the small mysterious ancient pyramid. While here, you will walk amongst the massive storehouses of mud and straw brick, and you will be able to enter the ancient pyramid. Afterwards, you will take part in the discussion regarding the massive agricultural areas that were created by Joseph after Jehovah gave him the wisdom and knowledge of what Egypt was to face. You will learn that, in this location, Joseph first brought his father, Jacob, to see what miracles God had performed through Joseph's life, also visiting the canals that Joseph built. Lastly, you will be taken to a rarely-visited ancient site called the "Pillar of On." The mystery surrounding the messages contained on this pillar will be the highlight of your day. [BLD]

April 2, Thursday: Mummies of the Bible, Suez Canal, Bitter Lakes, Passover Dinner

Today, you will be amazed at what has been preserved and found! The Museum of Civilization of Cairo, but, for us, the highlight is that you will come face-to-face with the mummy of every Pharaoh within the Exodus story and the story of Joseph. Lastly, today, you will visit Cairo's new gleaming beauty – the Grand Museum. Here, you will see the magnificent statues and the centuries of antiquity, quickly focusing on the aspects in this large museum that center on your Biblical interests. You will have an early lunch on the Nile River and then be driven outside the city to Ismailia, located near Lake Timsa on today's modern-day Suez Canal (Bitter Lakes in the Bible). You will overnight at a small French boutique hotel called the Maison Maxim de Lesseps, in the town of Ismailia. Personnel at this hotel witnessed the building and opening of the Suez Canal, and its quaint ambience is the perfect place for our Seder meal this evening. This will put you in closer proximity to Avaris in the morning. Of important note is that the city of Ismailia is where the Pharaoh Hophra slab was found. [BLD]

"This day shall be for you a memorial day, and you shall keep it as a feast to the Lord; throughout your generations, as a statute forever, you shall keep it as a feast."

- Exodus 12:14

April 3, Friday: Goshen/Avaris

You will enjoy breakfast in the Ismalia hotel and then be driven two hours down the small, two-lane roads, which are often laden with donkey carts and tractors. You will arrive at the sites of Avaris and the massive outdoor museum site of Tanis. Your discussion with your fellow travelers will involve much of what archaeologist Manfred Bietek brought from fields that have now been planted over. These fields once hid the homes and archaeological sites of the Hebrews who resided here at the time of Moses. Pi-Ramses and the areas of the Hebrews were necessarily planted due to the agricultural requirements of the citizens of the Nile Delta and Egypt. Tanis is quite spectacular, considering that it is a true hodge-podge of found artifacts. Tanis is the Egyptian Pharaonic city known as ancient Zoan, and it is where Moses would first have approached Pharaoh about releasing the Hebrews. Tanis is also the location where the rare, silver mask of Shoshenq was found, along with many other treasures. You will see this rare mask at the Egyptian Museum on March 31. Nearby, you will enjoy an authentic outdoor, barbequed lamb, flatbread, and herbs meal, along with your fellow travelers. After lunch, you will return to a hotel located onsite at the Cairo airport for Shabbat dinner and overnight. **[BLD]**

April 4, Saturday: Shabbat. Saudi Arabia

You will have breakfast at the hotel and then have a day of relative quiet, with lunch on your own. You will depart your hotel room today and prepare for your flight at 7:25PM, arriving in Tabuk at 9:25PM, then transferring to the hotel for dinner and overnight. **[BD]**

April 5, Sunday: Split Rock, Rephidim, Nuweiba Crossing

Today, you will view an Egyptian boat inscription that will match an inscription found inside the Egyptian Museum. Adjacent, there is an ancient, anthropomorphic inscription of a being that is dated to be 5500 years old. Afterwards, you will join the Landcruisers and be off to your first MAJOR site on the Exodus route: the Split Rock of Horeb! You may climb and see the actual flow marks, walk around, and see the amazing inscriptions and some of the stone formations that were built either as tombs or as hunting tents. From here, you will be driven onto an overlook where you may envision Moses standing on one of these hills, his arm upraised:

"And so it was, when Moses held up his hand, that Israel prevailed; and when he let down his hand, Amalek prevailed. 12 But Moses' hands became [a]heavy; so they took a stone and put it under him, and he sat on it. And Aaron and Hur supported his hands, one on one side, and the other on the other side; and his hands were steady until the going down of the sun. 13 So Joshua defeated Amalek and his people with the edge of the sword." *Exodus 17:11-13*

Yes, it happened here, and you may be able to pick up a perfectly-formed stone that was used in the battle against the Amalekites. You will have a picnic lunch and then, time permitting, you may see another new discovery, which is referred to as "Snake Rock" because it has snake inscriptions surrounding ancient Hebrew. You will spend the afternoon visiting the Nuweiba crossing site between Egypt and Saudi Arabia. Time and light permitting, you may have the rare opportunity to see a recently-discovered Midianite "high place" of sacrifice. You will spend the night on the Red Sea. **[BLD]**

Depending upon archeological access this morning, you will visit the site of Aynounah, or the place of Abraham's generations. This is the most ancient oasis in Arabia and is said to hold the remains of Abraham's descendants. Next, you're off to the Land of Midian, first visiting the Museum of Archaeology. At Al-Bid (in Midian), you will walk through the caves of Jethro—Moses' father-in-law—and visit the well site of Moses and Zipporah. Lunch today will take place on the Red Sea. Next is one of the most incredible sites near Mount Sinai, the Cemetery of the remains of the 3,000 souls killed by the Levites. And he said unto them,

"Thus saith the Lord God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbor. And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men." *Exodus 32:27-28*

You will see the standing stones and the grinding stones that belonged to the women who were put to death. The site has the tell-tale sign that it is a site of antiquity by order of the King. You will be returned to your Red Sea hotel for dinner and overnight. **[BLD]**

April 7, Tuesday: Jabal Al-Lawz, Wilderness of Sinai, Moses Altar, Altar to the Golden Calf

Tonight is the optional night of camping, and it will be epic! You will arrive at Jabal al-Lawz, where you will visit the site where Moses descended the mountain and built the altar to Yahweh. Some scholars say that the white stone pillars, which are still there, represent the 12 Tribes of Israel. The quarry high above is the location from which the pillars were hewn; the Proto-Sinaitic inscriptions are unique to this location. You will dine tonight around a campfire beneath the looming, blackened top of Mount Sinai/Jabal al-Lawz. Today, you will also visit Aaron's Altar to the Golden Calf. Next, you will be driven into the Wilderness to stop and survey exactly where you are standing – in the Wilderness of Sinai with the magnificent, blackened mount before you and Rephidim behind you. Before arriving at your campsite, you will stop at the Altar to the Golden Calf that is also at a very curious site – right under the ominous, blackened top of Jabal al-Lawz and adjacent to even more curious inscriptions of worshiped Apis bulls with Egyptian characteristics and men and women impaled with long swords. The adventurous among your group will opt to overnight in this well-appointed, mobile camp, at which you will enjoy a BBQ dinner, while the remainder of the group will return to the resort hotel for another restful night at the Red Sea resort. [BLD]

April 8, Wednesday: Sinai Climb, Amalekite Inscriptions, Sinai Desert, Aqaba

Those ascending Jabal al-Lawz will rise early. Depending upon one's climbing ability, destinations could include the Plateau of 70 Elders (5-6 hours round-trip), Elijah's Cave (6-7 hours), or the blackened summit (6-8 hours). Climbs will be completed in time for lunch, and then you will be driven via 4WD-Landcruisers to the alternate base side of Jabal al-Lawz and see the Amalekite Inscriptions of giants being shot with arrows. Time-permitting, you will see the newest sites that may be the stoves and molds needed for the Tabernacle, and then you will be driven through the Sinai Desert. The entire group returns to camp, where you will have your Saudi-farewell camp lunch together with your amazing team. After some rest and great stories of intrigue, you will rejoin the 4WD vehicles and be driven north to the point where Saudi Arabia and Jordan meet, where you will cross over into Jordan and check into your hotel, which is directly in front of the entrance to Petra. You will have dinner at the hotel. [BLD]

Your tour will end at the Christian section of Petra, and you will see where tombs were carefully converted into churches with baptismal. You will have a large lunch inside the basin of Petra and then say goodbye to your friends who are staying on to tour the areas of Joshua and the final steps of the Exodus through Jordan. Those of you flying out this evening will be driving 3 hours up to Amman after lunch. If you are taking the group air, your flight will depart at 8:10PM. You will stop for a hearty farewell lunch, and then you will be at the Amman airport this evening for your 8:10PM departure on Egypt Air. You will arrive in Cairo at 8:35PM, where you will be met and transferred back to your airport hotel, the Movenpick. The additional cost of this hotel is included in the air add-on. If you choose to fly home from Amman on a different airline or plan, you may need an extra night in a hotel tonight. No dinner is included this evening, as you will have such a short night of sleep. Egypt Air will deliver a quick sandwich on our 1-hour flight from Amman to Cairo, and you may order room service, if you like, at the Movenpick for your short night. [BL]

LIMITATIONS

The air carrier(s), group operators, and LP reserve the right to substitute equipment and properties and to add or delete en-route stops at our discretion, with or without notice. The hotels, airlines, ground operators, and other vendors used by LP reserve the right, in special circumstances, to substitute accommodations/transportation and sights of similar or better quality without penalty. This includes sites as noted on the itinerary. If taking the extension, understand that the KSA is in its infancy. Because of this, they can choose to do site work that may affect our visits.

SINGLES

We match roommates! If you are a single person or traveling alone, we do have others who would like to travel with us without paying the single supplement. We assign roommates, as available, approximately 2 weeks prior to departure. We cannot guarantee it, but it has worked well in the past for many of our travelers.

MAKING YOUR DEPOSIT / RESERVATIONS

- There is no deadline for making a booking; we will continue to take bookings up until 4 weeks prior to departure (if available). If depositing prior to December 18, 2025, a deposit of \$1,250 per person is due along with your signed registration form. If booking after December 18, 2025, full payment is due within 7 days of your registration. Payments not received by the due date are subject to a 5% monthly finance charge and the possible cancellation of the reservation.
- Please note we will continue to take bookings and reservations until our departure, as long as space is available, and we will do everything possible to make sure you can join us!
- You may use a credit card for your initial deposit and optional insurance and then pay the balance with cash, check, or wire transfer and still receive the full cash discount.

CHANGES / REVISIONS

We will try to accommodate name changes, but additional fees may be imposed and passed on by the carriers. If specific rooming requests are altered due to cancellation by one or more passengers, the passenger(s) still traveling may be required to pay the resulting applicable occupancy rate. Trip insurance may cover this additional cost.

CANCELLATION AND REFUNDS

Your deposit is not refundable. As we get close to departure, penalties increase. Please purchase insurance to protect your deposits. Insurance will cover you if your policy suits your circumstances. We also offer "Cancel-for-Any-Reason" insurance. The penalty will increase 92 days prior to your scheduled departure date. At 92 days prior to departure, the cancellation penalty increased to 45% plus all air travel is nonrefundable. At 75 days prior, the trip becomes nonrefundable.

Credits transferred from another tour are subject to the non-recoverable costs in place at the time of transfer. These funds will remain non-refundable. Travel insurance premiums and airfare are always non-refundable. All tour credits need to be used within 2 years from your original outbound date with the vendor or destination.

RESPONSIBILITY

LP has the responsibility of booking with airlines, hotels, transportation vehicles, ground operators, and tour guides to provide you with these services. The carriers, hotels, and other suppliers providing tour services are independent contractors and are not agents, employees, or servants of, or joint ventures with, LP or its affiliates. All certificates and other travel documents for tour services issued by LP are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold LP liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God"), denying entrance to a site due to political or other reasons, or other circumstances beyond its control. If a travel ban is imposed by the United States on any country, we are scheduled to tour, and we will attempt to secure another destination. We cannot be held accountable due to political decisions. In the event of delay, the airline or tour company, and not LP, determines delay procedures and the amenities/compensation, if any, to be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

ACTIVITIES

Participants may choose to engage in various activities including, but not limited to, climbing, camel-riding/participating in camel races, 4-wheeling, hiking, swimming and other "activities;" participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. Living Passages (herein referred to as LP) shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participants engaging in such activities.

TRAVELERS WHO NEED SPECIAL ASSISTANCE

LP must be advised of a participant's special requirements at the time of booking, and we will make every effort to accommodate special requests but we cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested.

PREPAID TIPS

All tips are prepaid and distributed on your behalf throughout the tour to cover tipping for guides, drivers, etc.

FUEL SURCHARGES, FEES OR TAXES

It is possible that the ground, vehicles, governments, visa providers or facilitators, and other operators will bill LP for additional fuel surcharges, fees, and or other taxes. You will be notified quickly and prior to being billed for final payment if any vendors make any of these types of increases. You may arrange your own air travel.

CURRENCY AND SPECIAL PROVISIONS

Pricing of the tour and event was based on the currency that was in effect on June 29, 2025. You will be notified as far in advance as possible in the event the price of the tour needs to be adjusted. We do not foresee this happening, but in today's economic climate, we have to be prepared for any currency discontinuation, devaluation or "reset" that can affect any of the countries that we visit, transit, or to which we provide governance. We will do everything possible to prevent this from happening, but we have to be mindful of the world's current political climate.

OPTIONAL JORDAN EXTENSION APRIL 9-13/14, 2026

TERMS AND CONDITIONS

SAFETY

The safety of our passengers is a primary concern of LP but also of the owners and operators of the vessels, aircraft, camps, resorts, ground transportation, and other facilities being used. If safety is threatened by any factors, the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule that they deem necessary for the safety of all. In the event of danger or war, we will do everything possible to facilitate a change of dates, destinations, and vendor refunds. It all depends on timing and geography. There is never a set standard of operation. In 20 years, we have never seen an entirely negative outcome for a group. However, we do live in interesting times. In the event that you choose to climb, hike, snorkel, dive, or take part in any activity, you are solely responsible for ensuring that you have the capabilities to perform the activities. There will be additional Saudi emergency services that will be offered in the coming months. This is supplied by a separate company for those who engage in these types of activities. We are traveling to Jabal al-Lawz and the Split Rock of Horeb—both of which have neither tourism nor medical infrastructure.

MAJOR CHANGES

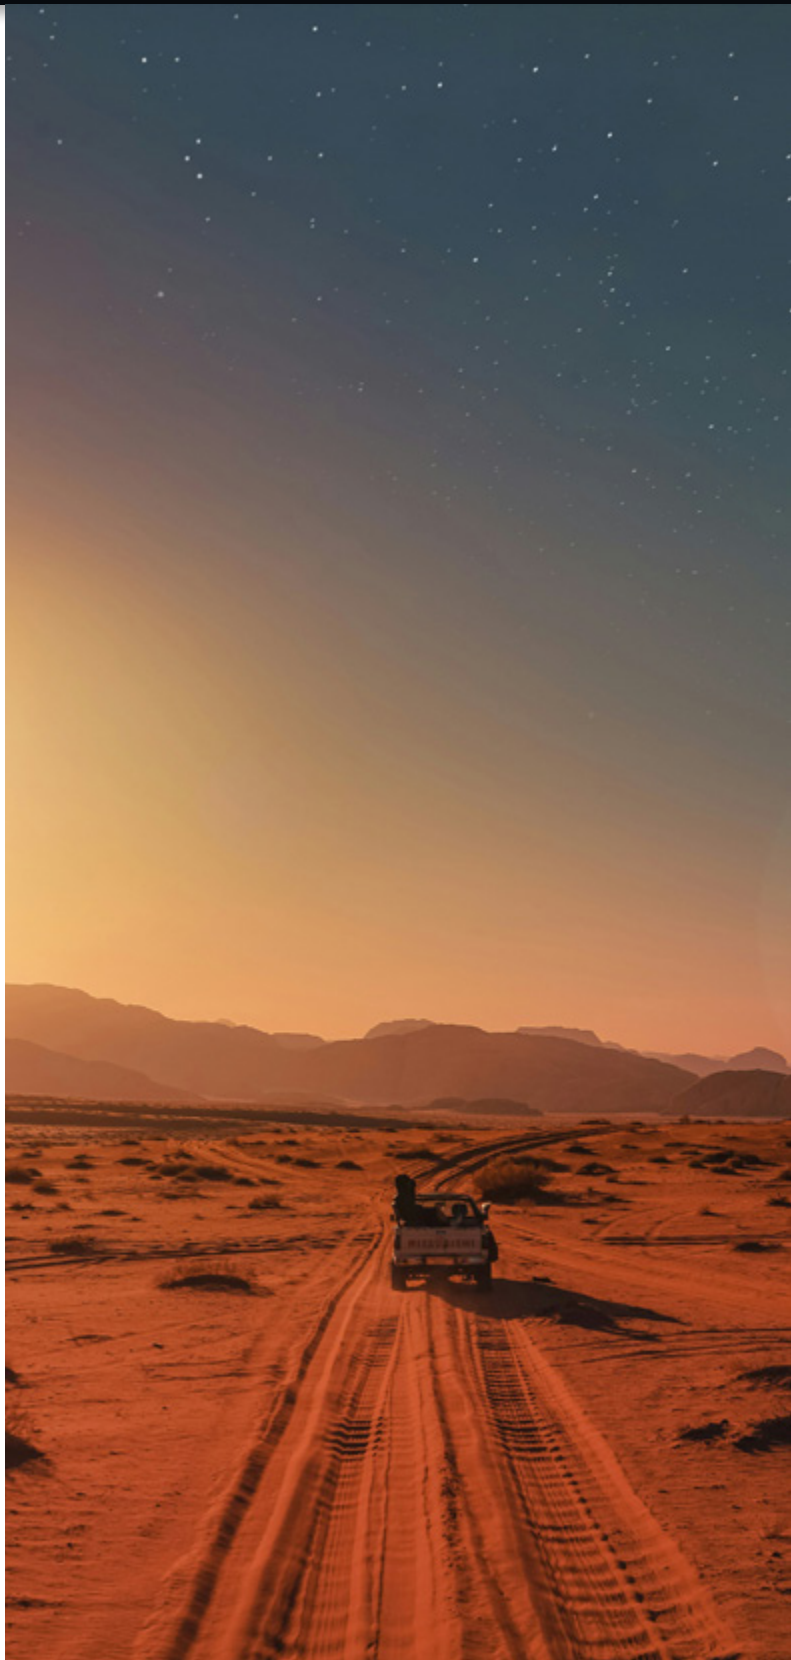

Destinations and the sites offered here can be withdrawn at any time due to government restrictions and other reasons beyond our control. Cancellations attributed to Covid or to any new disease-related creations and acts of war, postponements, and such of any kind are not the responsibility of LP. You are booking the trip at your own risk, and penalties will not be waived. If LP first knows of a major change less than 21 days before scheduled departure, LP's liability is limited to refunds that we can obtain on your behalf, excluding insurance and any other nonrefundable airfare paid or visa fees, and nonrecoverable costs from our vendors, but not for any COVID or other named health or vaccination mandate. LP contracts with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stay-overs, and over-booking by the hotel), and a substitute hotel of equal or greater quality is provided. In the event that your hotel standard is being substantially downgraded, a refund reflecting the difference in price will be issued. A change in currency or exchange is not considered a major change. The governing laws of the State of Idaho shall prevail, and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recover pertinent legal fees and costs from the other party.

BROCHURE VALIDITY

This document cancels and supersedes any previous publications or advertisements to this same tour and cruise. For the most current brochure or terms, download online at livingpassages.com or call us at 1-888-771-8717.

IMAGE AND SOUND RELEASE

LP will often photograph, film, and record events throughout our tours. These Images and recordings are sometimes used later in promotional materials, including printed or electronic publications. By completing the registration, I authorize LP to use any images, videos, and audio of myself and my registrants listed above, as well as our identities, without compensation to me. Furthermore, I agree that all images, videos, and audio are considered property of LP and therefore LP is released from any liability, restrictions, or conditions in their usage.
